Columbia International Affairs Online (CIAO)

Scholarly materials on politics and international relations

- Full text of working papers, policy briefs, conference proceedings and links to Web sources
- Journal abstracts, book summaries, country data, and economic indicators

CIAO Focus is a monthly feature that highlights a current international issue with links to relevant documents.

Country Watch

Political, economic, social, and environmental data on 192 countries

- Key country data; country flags; boundaries, and ethnic divisions
- Thematic/political/physical maps; currency converter tools
- International hotspots; daily news coverage and forecasts from regional sources
- Country rankings from the United Nation's *Human Development Index* and Freedom House's *Freedom in the World*

Country Watch Elections Central

CountryWatch Elections Central focused solely on international elections.

Here, one can access:

- A comprehensive list of past and upcoming international presidential and parliamentary elections around the world;
- Election Profiles which cover dates 2009 to 2014;
- Country Profiles with overview of the countries in which elections are held, including the current government structure; and, extensive coverage on elections in the United States, including the 2008 and 2012 elections.

Current Digest of the (Post-) Soviet Press
