CFMCC Flag Course
Guiding Principles for
Course Design

**Purpose:** Improve the effectiveness of senior leaders (Flag and General Officers) who routinely function together at the operational level of command and control.

**Objectives:**

1. **Develop and deepen relationships based on trust and confidence among partner nations in the framework of regional challenges.**

2. **Serve as a forum to evolve Combined Maritime Command and Control concepts and mechanisms, and eliminate impediments to effective coordination.**

3. **Advance the understanding of those security issues facing participating nations.**
