How to Create a RefWorks Account

What is RefWorks?

RefWorks is an online citation management platform. It gathers, organizes, stores, and generates citations and bibliographies in different output styles.

How to Create a Refworks Account

First, you will need to set-up your account:

2. Click on “Create Account” at the bottom of the page
3. Enter your NWC Email and click on “Check”
4. Create your account, using your NWC email and password of your choice.
5. A link to validate your Refworks account will be send to your NWC email account
6. Click on the link and start exploring Refworks.

Contact the Instruction and Research librarians if you have any questions: libref@usnwc.edu
